New Addition Appeal

When we first made the "tracking" thermometer we did not have a contractor or a total bid. Our hopes were to be at the \$200,000 range.

With the Architect fees, Engineer fees, Soil report, and Contractor, the total costs will be **\$245,543.**

As it stands right now we are **in need of \$25,000 by the first of June.**

We have done great in our giving since this project began but the time is winding down to the completion date. We need your help!!

When the addition is done we will need to get the parking lot completely redone due to the large vehicles during construction. We have an idea of

about \$25 to \$30K to have this done: so adding what we need to complete the addition, \$25K, and the \$30K for the parking lot we need about \$55K.

The church does have a stock that can be sold and

King Sooper funds available so it will make the needed amount less.

With tax time and many refunds already in the mail, this may be a good time for you to give a

little (or a lot) to the church for this special need. We know this is a lot to ask but when it is all finished the church will be in very good shape.

Please continue to make this a matter of prayer. I believe God will Provide - Jehovah Jireh !

Maundy Thursday Service

April 13 at 6:30pm

Maundy Thursday is the Thursday before Easter, believed to be the day when Jesus celebrated his final Passover with His disciples. Most notably, that Passover meal was when Jesus washed the feet of His disciples in an extraordinary display of humility. He then commanded them to do the same for each other.

Christ's "mandate" is commemorated on Maundy Thursday---"maundy" being a shortened form of "*mandatum*" (Latin), which means "command." It was on the Thursday of Christ's final week before being crucified and resurrected that He said these words to his disciples: "A new commandment I give to you, that you love one another: just as I have loved you, you also are to love one another" (John 13:34).

We will sing songs that reflect the Passover, the agony Jesus experienced during His trials and crucifixion and the forgiveness of sin we receive through His shed blood on the cross. The service will conclude with everyone gathering around the table to observe communion.

Easter Sunday!

Easter Sunrise Service - 6:15 am

Due to the construction outside, the sunrise service will be held in the sanctuary this year. After the service there will be a **potluck breakfast** in the Fellowship Hall. Please bring your favorite breakfast dish. Pastor Kim will fix pancakes.

There will be two services Easter - Sunrise at 6:15 and our regular worship at 10 am. There will **not** be Sunday School on Easter.

Church and Ministry (Rex)

March 8, 2017

The meeting was opened with a prayer from Pastor Kim.

The Easter Services are:

- April 9 Palm Sunday
- April 14 Maundy Thursday (6:30 P.M.)
- April 16 Sunrise Service (6:15 A.M.)
- Potluck Breakfast after Sunrise
- Easter Service (10:00 A.M.)

There will be a 5th Sunday Movie Night on April 30 at 6:30 P.M.

The Men's Prayer Breakfast Group will be providing and serving our ladies a Mother's Day Dinner on May 14 after church.

The next meeting is on May 10 at 6:00 P.M.

Church Council (Dorothy)

The Council met on March 8th with seven members and 4 guests present. The property and grounds committee reported that they are looking at the lights on the outside of the building and will fix those when weather permits. At this time there is some interference with the lights and the photo sensors on the security system. Kevin is adding the street address to the front sign, as was requested for safety issues. This will help any emergency vehicles to find our church easier if needed.

We did discuss what to do with the organ that belonged to the original St. Paul's. It was decided to take a look at the organ and get a professional opinion about its condition and possibilities. Bill, Kevin, Chuck Howell and I went to see the organ. Chuck is a professional organ and piano repairer and has had many years' experience repairing and selling organs. It was his opinion that the organ could be repaired at quite a cost or it could be turned into an electric organ and at even greater cost. The organ will be moved to the church and a decision about what to do with the organ will be determined by congregation input and vote of the board.

Lori gave a presentation regarding safety issues in churches over the past several years. This led to a discussion regarding a safety plan for St. Paul's. All felt it was necessary to have a plan in place and to provide education to members of the church. Bette will research some sites Lori provided to best proceed with this project.

Last but not least the ground breaking ceremony occurred on March 12th and that was the incentive needed! We have started the addition. YEAH!

For all who want to attend, the next meeting will be April 12th.

MISSION MOMENT (PASTOR KIM)

The mission of **Project Angel Heart** is to deliver nutritious meals to improve quality of life, at no cost, for those coping with life-threatening illnesses. Project Angel Heart was founded in 1991 to address major challenges facing Coloradans living with a life-threatening illness—getting the nutrition they need to get stronger and remain independent in their homes. Many are too sick to get to the grocery store, have to choose whether to buy food or medication, or are too weak to make themselves or their dependents a meal.

Project Angel Heart delivers delicious, individually modified meals to thousands of Coloradans living with cancer, kidney/heart/lung disease, HIV/AIDS, multiple sclerosis, and other life-threatening illnesses. Their delivery area now includes 640 square miles of metropolitan Denver and 164 square miles in the Colorado Springs area, and all meals are delivered free of charge by caring volunteers.

Please give generously to this worthy mission.

CHEESY EASTER BREAKFAST CASSEROLE

"This hearty casserole has bacon, eggs, hash browns, and three different cheeses all baked into a comforting breakfast dish, perfect for feeding a crowd."

1 pound sliced bacon, diced	2 cups shredded Cheddar cheese
1 sweet onion, chopped	1 1/2 cups small curd cottage cheese
9 eggs, lightly beaten	1 1/4 cups shredded Swiss cheese
4 cups frozen shredded hash brown potatoes, thawed	

Preheat oven to 350 degrees F (175 degrees C). Grease a 9x13-inch baking dish.

Heat a large skillet over medium-high heat; cook and stir bacon and onion until bacon is evenly browned, about 10 minutes. Drain. Transfer bacon and onion to a large bowl. Stir in potatoes, eggs, Cheddar cheese, cottage cheese, and Swiss cheese. Pour mixture into prepared baking dish.

Bake in preheated oven until eggs are set and cheese is melted, 45 to 50 minutes.

Let stand 10 minutes before cutting and serving.
