

St. Paul's Tidings

THE PASTOR'S PAGE

It's always good to be reminded of things we do around the church. The fellowship time after service is vital to our growth and to getting to know each other better. Nothing does it better than sitting around a table enjoying food.

There is a sign-up sheet on the bulletin board in the Garden Level Room for two people to provide the

snacks each week, which do not need to be elaborate, but can feed 40-50 people (cheese and crackers, fruit, cookies, etc).

The refreshments for the first Sunday of every month will be provided by

the previous month's birthday people. If you cannot provide the snacks but would rather donate money for someone else to bring the refreshments give your money to Ginger or Sharon and we will take care of the food.

The "35" Challenge

As I shared last Sunday the "35" Challenge is a way for the church to eliminate the building addition debt by the end of 2019. So far we have had 11 responses to the challenge - Praise the Lord! I am not going to harp on it every Sunday but once a month provide an updated progress report. The idea is to find 35 contributors to give \$1000 to the building fund in 2019. It doesn't have to be one lump sum but can be stretched out through the year. To be an anonymous participant mark an "X" in the appropriate space on the note found on the table in the entrance way and put it in the box. Then put the money in the offering plate designating it for the building fund. This is not intended to take the place of your regular offering or mission offering. Thank you to all who give financially and to everyone who is praying for St. Paul's.

Valentine's Day Luncheon

This year will be a little different from the past years in that Peter has a wonderful menu planned for all who will attend. In the past the men or the church have paid for the meal and had it catered, but this year it will be prepared by "chef" Peter and the men will, as usual, host and serve. In return \$500 will be given to the building fund to cover the cost. Plan to attend this feast, Sunday February 10 right after the morning worship service.

Beautiful Plant Needs a Home!

Free Plant to a New Home. My mom can't keep her plant and I really don't have a good place for it. It's a big geranium with pretty pink flowers, it's healthy and growing nicely. If you want it, please call me. ---Susan M

Church Council (Dorothy)

The January meeting of the Church Council was on Jan. 9, 2019. Seven members and 3 guests present. The kitchen floor should be fixed by the end of January. We are waiting on some supplies that have been ordered. We also discussed the possibility of putting a plastic line into the old sewer pipe to prevent blockages but instead will have the pipe cleaned on a regular basis to hopefully prevent blockages. Mike Greene fixed the loose gutter on the new addition and Bill Cody tightened the bathroom stools. Thank you both and a thank you to everyone who helps in any way to keep the church in good condition.

Possible changes to the bylaws were discussed and accepted and will be put to a vote of the congregation at the annual meeting. Bette Stober has decided not to run for the Council this year, so a new member will be elected. Thank you Bette for your work on the council these last four years.

There was discussion about the 125th birthday of St. Paul's. Bill is working with a coworker to do a commemorative coin for the event. We have set a date of September 15th at Morris Park. More to follow.

The next meeting will be February 13, 2019. All are welcome.

MISSION MOMENT (PASTOR KIM)

Feed the Children

Our mission for February will be "Feed the Children, USA". In the land of plenty, millions of boys and girls are going to bed hungry. More than 15 million households face not having enough food for everyone in the family.

Our financial support to "Feed the Children" can help feed hungry children and change this grim statistic. We can reach families in need across America with food and other essentials that offer hope for a better future. One of the greatest strengths of St. Paul's has been our mission program. I believe a church lives or dies because of two things: prayer and reaching out to the needs of others through missions.
