Summer is Here!

Though summer doesn't officially start till June 20, graduations and end of school mark for many, summer has begun. Vacations and the desire to get outdoor will mean for some and maybe many, weekends filled with other interests rather than attending worship on Sunday.

Though St. Paul's has not experienced this in the past the temptation is always there. I want to encourage everyone to enjoy these next few months but not forget we are here with services going on as usual. With the addition of newly installed A/C in the sanctuary, everyone will stay cool and comfortable during our worship services.

June Red Hats - Denver Botanic Gardens!

Denver Botanic Gardens at York Street presents a wide range of gardens and collections on 24 acres. The gardens reflect an ever-widening diversity of plants from all corners of the world. The Gardens are currently hosting "Spirit Guides," sculptures of brightly colored and richly patterned fantastical creatures sited throughout the living galleries of the Gardens. Sculptures depict imaginary hybrid animals that act as both spirit guides and astrological embodiments of human character. Inspired by the Zapotec calendar, Spirit Guides is an unforgettable outdoor experience.

June Church Council (Clark)

Brothers and Sisters,

The wind blew right in and out for the month of May which reminds me of sister Kathy this past Sunday who dealt with its wrath! Last report - she is at home and recuperating. We are grateful. Get well soon!

A safety note: Be mindful of your car doors and how the wind can whip them closed on us.

The new lights in the sanctuary are shining brightly with better distribution of light. Please let the council know how we can make improvements in the church to enhance your worship experience.

The sprinkler system was repaired and is working once again.

Everyone enjoyed the Mother's Day luncheon provided by Olive Garden. Our Father's Day celebration will be a potluck this year hosted by the ladies of the church. More details to follow...

In closing, always remember that Jesus loves us. Stand strong and keep the faith!

Brother Clark

A stylized, calligraphic illustration of the words "Happy Father's Day". The letters are thick and textured, with some appearing to be made of wood or stone. The word "Happy" is at the top, "Father's" is in the middle, and "Day" is at the bottom. The background is white with some light grey speckling.

My Dad's Hands

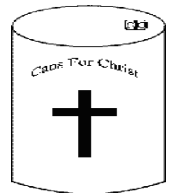

My Dad's hands are strong
 And they're big and they're tough.
 But when I need help
 They're gentle enough.

My Dad's hands can teach me
 To work and to give.
 And by their example
 I'll learn how to live.

Right now my hand's are small
 And learning good from bad.
 Some day I hope my hands
 Will be just like my Dad's!

MISSION MOMENT (PASTOR KIM)

June's Mission - Blue Bench

At Blue Bench, their mission is to eliminate sexual assault and diminish the impact it has on individuals, their loved ones and our community through comprehensive issue advocacy, prevention, and care. There are many misconceptions about sexual assault that are both commonly accepted and continuously perpetuated in today's society. These beliefs place blame on survivors while minimizing the responsibility of the offender and the seriousness of the crime. As a result, survivors of sexual assault are often left feeling isolated and ashamed without the support they need to begin to heal. Understanding the facts and dispelling myths surrounding sexual assault is crucial to ensuring that survivors are treated with respect and receive the support and services they need. Many need our support and through our mission offering we can help heal those survivors.
