Relations

It's hard to picture the intimate relationship God had with Adam and Eve, walking with them in the Garden each morning.

Or to hear the voice of God as Moses did at the burning bush and on Mt. Sinai, to

feel God's presence as Abraham did when he took his son Isaac up the mountain to sacrifice, or even better, to walk with Jesus like the disciples were able to do.

Christianity is all about our relationship with God. And the more I study and read His word, the closer I feel to Him. I love and enjoy my relationship with God and one of the biggest reasons

is that the more I read the Bible the more I appreciate the fact that God likes to be around me. WOW!

The God who created the heavens and the earth wants to spend time with me, AND, He wants to spend time with you.

Isn't it wonderful to have a God who loves us, cares for us, and wants to be present in our lives. That's only one of the reasons I come to church.

What are your reasons?

Pastor Kim

Pancake Breakfast!

Once again, we want to use our large outdoor griddle for a pancake breakfast.

Saturday, July 27, 8-10:30, come and enjoy pancakes, sausage, and eggs with us.

If the weather is clear, and as your community weatherman, it will be, tables will be set up outdoor for this event. Mark it on your calendars and plan to bring friends and family for this well attended breakfast.

Time will be announced for set up of tables and canopies. (Please remember, what goes up must come down) **Cost of the breakfast is \$7.**

July Church Council (Clark)

Brothers and Sisters,

Let me begin with a progress report of work done in and around the church in the month of June.

The faucet in the kitchen sink was repaired by Mike Greene.

Gary Jackson sharpened the mower blades.

Pastor Kim continues to mow the church property; a chore he really enjoys.

Magee Electric did a wonderful job on the sanctuary lights.

Mike and Gary presented a long list of things that need to be repaired which we will begin to address in July. Among them are:

1. Sealing the cracks in the parking lot.
2. Finding a way to make the East entry step more safe.

That's a fair amount of work to keep us busy in the days ahead!

In addition the Council is working on updating the Church Constitution to present to the congregation for ratification.

In closing, please avoid going out in this hot weather if possible.

With Jesus, Clark

Do you want to help the Action Center provide School Supplies to Jeffco Students? Join The Action Center's School Supply Drive and help them equip 5,000 Jeffco students with the essential tools they need to succeed! Through your generous giving to our mission this month, you will provide more than just notebooks and pencils - you will be giving students the confidence and resources to shine academically and beyond.

Together, let's create a brighter future for every child in our community. Your support ensures that every student starts the school year with the supplies they need to thrive. Let's share in turning dreams into achievements, one backpack at a time.
