Summertime

Psalm 96:1-6 tells us:
"Sing to the Lord a new song; sing to the Lord, all the earth. Sing to the Lord, praise His name; proclaim His salvation day after day. Declare His glory among the nations, His marvelous deeds among all peoples. For great is the Lord and most worthy of praise; He is to be feared above all gods. For all the gods of the nations are idols, but the Lord made the heavens. Splendor and majesty are before Him; strength and glory are in His sanctuary."
For many, this defines summer. School is out, vacations are scheduled, the sun shines brighter, and everyone seems more relaxed.

In my recent message on Sunday, I spoke of seeing God's presence in the simple, everyday things of life; Summer can help us do just that. Because of its slower pace, summer often provides us with time to reflect. We reflect upon the year so far; we reflect upon this summer and even past summers.

Let's find God's joyful parts of our life as we enjoy the summertime.

Pastor Kim

August Red Hats

Join us for a tour of the Historic Elitch Garden's Theater!

"The Elitch Theatre has been a vital part of Colorado's cultural landscape since its inception in 1891. Elitch Theatre was home to the oldest summer stock theatre in the country and hosted the screening of Colorado's first moving picture in 1896. Legends of American theater performed on this stage. Cecil B. DeMille, Douglas Fairbanks, Grace Kelly, and Edward G. Robinson, are among the alumni of the Historic Elitch Theatre.

Today, the 130+ year old Theatre has returned as a community hub for culture and the arts. With several major phases of restorations over the past 15 years, the theater is hosting movie nights, tours, and community events."

Date: Wednesday, August 14 @ 10:00am
(9:30am at the church)

Place: Historic Elitch Gardens Theater 4600 W. 37th Place Denver

Cost: \$15 plus lunch after the tour at a local restaurant.

We need a minimum of 10 people for this private tour!

Sign-up Sheet is available on the sanctuary ledge
or RSVP to Phyllis, Carol or Sharon.

Christian Women of Faith

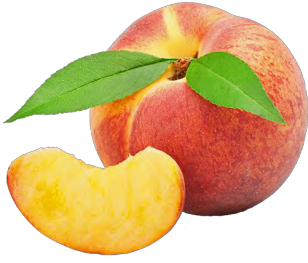

Monday Evening, August 19 at 6:30pm

We will be having our last summer dessert night at Marilyn's place! All ladies of the church are invited!

If you are planning to attend, please let Marilyn or Sharon know!

PEACHES!

The peaches are coming! Like previous years, Phyllis is in contact with the Western Slope farmer who brings cases of delicious, juicy Palisade peaches right to us! The cost per case is still \$36 - no increase from last year. One person saw a similar case of peaches for \$51 per case!

If you are interested in ordering peaches this year, let Phyllis know, and she will place your order!

August Church Council (Clark)

The month of July was a scorcher and as such can cause heat strokes. So drink a lot of water and keep yourself well hydrated!

Greg, our custodian, retired after 16 years of service. Thank you, brother Greg! Keith volunteered to replace Greg as our new custodian for which we are grateful!

Projects we accomplished in July:

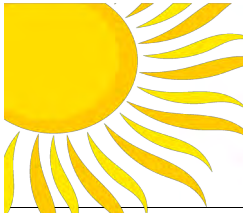

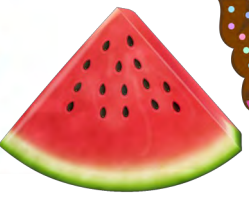

- Gary sharpened the blades on the lawnmower.
- Gary also re-caulked the sink upstairs in the men's room.
- Pasterkamp serviced the heat pumps/air-conditioning system.
- The backflow device that keeps the sprinkler water separate from the church water was tested by the City of Lakewood and passed.
- Mike fixed the kitchen sink faucet.

Upcoming projects for the parsonage will be to have some painting done on the first floor and to have carpet stretched/replaced.

In closing, we had a wonderful pancake breakfast last Saturday! Thanks to Reverend Kim for leading all of us. I want to give all the volunteers a big thanks for making it a success!

God is good! Clark

MISSION MOMENT (PASTOR KIM)

Tennyson Center for Children

All children deserve the right educational support to become lifelong learners and successful adults! Some children thrive in the public-school setting while others require higher levels of support and a customized education at school.

Tennyson K-12 Day Treatment school is fully accredited with a 4:1 student-to-staff ratio that integrates social, emotional, behavioral, and academic learning. During the 2020/2021 school year, their students achieved a 67% increase in reading proficiency and a 79% increase in math proficiency which are enormous achievements for students who typically arrive at Tennyson two to three years behind in school.

They need our help and support, so we have chosen Tennyson Center as our mission through August. Please help these needy children as they strive to find their way in life.
