"I stand amazed in the presence of Jesus the Nazarene. And wonder how He could love me, a sinner condemned, unclean".

Sunday August 24, my message

was about

the

woman

healed by

Jesus

on the

Sabbath.

It was an

emphasis

to obey

the laws of God, not

because we have to, but

because we want to -

because we love the Lord

with all our hearts.

We concluded the service

singing "Stand Up and Bless

the Lord". We normally do not stand on the last song but without me saying a word, everyone stood and sang joyously. My heart was full, as I witnessed your love for Jesus. You stood,

not

because

you had

to but

because

you

wanted

to.

Your love for Jesus was a thrill for me. Thank you.

MISSION MOMENT (PASTOR KIM)

Compassion International

Compassion International does all their work through local churches like St. Paul's. They work with thousands of local churches around the world, and each church partner tailors their holistic child development model to the contextualized needs of the children in its community, to best deliver the whole-life care the children need. They work primarily through child sponsorship but also have specific initiatives to help babies and mothers, to develop future leaders, and to meet critical needs. Critical needs include opportunities to provide medical assistance, extra food and nutritional supplements, emergency home repairs and disaster relief, access to clean and safe water, education assistance, and other necessities.
